Good Day,	www.commercence.de	*******
The document entitled "Intelligence Terminology", PP-10-1090, has been reviewed for classification	ion	
and public dissemination by DJP5, and the wording for NSTS needs to changed as follows to be UNCLASSIF	IED:	
National Security Agency Secure Telephone System (NSTS) - A stand-alone secure telephone system. IC encall these phones by different names, such as grey, white, or green phones, although these colors do not a reflect the actual color of the telephone unit.		5
The NSANet description is UNCLASSIFIED.		
When the changes are made to the NSTS definition the statements will be determined UNCLASSI and hereby APPROVED FOR RELEASE.	FIED	
This approval is for the exact information submitted. Any changes, other than typographical or grammatical, require a new review prior to publication/dissemination If you have any questions, please do not hesitate to contact us.		
Thank You.
